## PERFORMANCE CERTIFICATE

We, at our remote residential tribal school, are using the Solar Concentrator based cooking system supplied by A.T.E. Enterprises Private Limited.

A.T.E. Enterprises Pvt Ltd supplied the system to us as per our purchase order number 001/13-14 Dated 06/02/2014.

We find it quite useful for us. We are satisfied with the performance of this system.

Thank you,
